**How We Will Calculate Your Balance:** We use a method called "average daily balance (excluding new purchases and balance transfers and including cash advances)." See your Visa Agreement and Disclosure Statement for more details.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your Visa Agreement and Disclosure Statement.

**Payment Allocation:** We may apply a portion of your payments up to your Minimum Payment Due to lower APR balances first, including transferred balances. Generally, payments greater than your Minimum Payment Due will be applied to your highest rate balance first.

**Prime Rate:** Variable APRs are based on the current Prime Rate of 8.50%.

<sup>1</sup>We add 9.24%, 13.24%, or 17.24% to the Prime Rate to determine the Purchase/Balance Transfer APR.

<sup>2</sup>We add 18.74% to the Prime Rate to determine the Cash Advance APR.

**Important Information About Procedures For Opening A New Account:** To help the government fight the funding of terrorism and money laundering activities, U.S. Federal law requires financial institutions to obtain, verify, and record information that identifies each person (individual or business) who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We will also ask to see your driver's license or other identifying documents. If the required information is not provided or the provided information is incorrect, the Bank has the right to close the account without any further notice.

**Important Notice To Customers Opening A Legal Entity Account:** Rules under the Bank Secrecy Act (Title 31 CFR Parts 1010, 1020, 1023, 1024, and 1026) require a legal entity to provide its beneficial ownership information. EACH time an account is opened or changed for a covered legal entity, Bank of Hope is required to ask you for identifying information (name, address, date of birth, social security number, as well as identification documents) for: 1) Each individual that has beneficial ownership (25% or more); and 2) One individual that has significant managerial control of the legal entity. If you are opening an account on behalf of a legal entity, you will be required to provide the appropriate documentation and to certify that this information is true and accurate to the best of your knowledge. This new rule is applicable to all customers opening a new account for a legal entity regardless of the existing banking relationship. If the required information is not provided or the provided information is incorrect, the Bank has the right to close the account without any further notice.

## BALANCE TRANSFERS

### Balance Transfer Instructions:

- After receiving your card, you may call the customer service number on the back of your card to transfer balances. However, if you are presented with the option to transfer a balance with your application, it may take up to 21 days after your account is opened to process balance transfer payments.

Be sure you do not transfer any disputed purchase or other charge amount, as you may lose your dispute rights. You cannot transfer balances from other accounts issued by Bank of Hope.
- Continue to make payments on your other accounts until you have confirmed this balance transfer has been received. Once approved, we pay the amount of the balance transfer directly to that issuer. The available revolving credit limit for your new card will be reduced by the total amount of the transfers, including fees, we approve.
